This is proving to be a great way to improve my Spanish. I read a chapter a day in Spanish, then compare it with the English version, which I also have in both printed and Kindle versions. Also, my 7 year old grandson is absolutely hooked on the English version. He's been reading it daily all year, and has been all the way through several times. I too have read it all the way through in English, and am very impressed at the depth of thought involved in both the English and Spanish versions.

What a neat surprise! I bought this for a relative who is a youth pastor in Monterrey, Mexico. He is

delighted to have this "Action Bible" in Spanish because he says it "brings to life" key Bible teachings in an understandable modern Spanish. He plans to use it as a teaching aid. The illustrations are remarkable!

I grew up on the old edition and learned my chronological understanding from the Bible through it. I actually was given sections of this when I was a kid in Sunday School. Now, this new edition even more complete. There are a lot of new stories included to complete the Bible history. So thankful that a section on the book of Revelation was added...and it gives it a fair treatment and doesn't interpret it according to its publisher's reformed understanding of the book. It just tells it as it is and let each interpret the book according to each one's understanding. Nice! The artwork is really nice! I bought one in English and in Spanish and by 13-year-old kids spend hours reading it. They had left the old version aside, but with this one their interest has been renewed--it's just that DC Comics and Marvel look that does it! But I have shown it to some elderly people and they just look and look and look at it! Great job! The hardcover sewn book will last a long time. And thanks for putting it into Spanish too! If only the price were like the book in English! Then it would be out of this world!

Sin duda alguna una obra monumental. Expone con sencillez pero bíblicamente las historias de la Biblia. Te provee de un panorama amplio de las historias bíblicas, y lo mejor es que sigue el orden cronológico de los sucesos. Cada historia va acompañada de la cita bíblica de donde es extraído. En cuanto al arte debo de darle cinco estrellas; fascinante presentación desde la calidad de las hojas hasta el encuadernado. Con toda seguridad te animo a que lo compres. Será una valiosa experiencia y inversión para ti y si tienes niños es aún mejor. Aprenderás un caudal de información para armar el esqueleto de los sucesos bíblicos. Mis mejores deseos a todos. Att. The best part of this book, it has used Manga to translate the bible and its principles, that all the 13 years and some adults in the church in El Salvador would like a copy too. They said the children sit there very bored when talking about the god and its principles, but this brings life into the message, and they all wanted their very own. This is well worth it!!!

My 6 year old daughter loves her new action bible, she can't stop going over her favorite stories and the new ones that catch her eyes everytime she flips the pages.

My 9 year old son couldn't put it down. Didn't put it away until he read the whole thing! Amazing!
Bought the English version for his brother and he also loved it.

This Bible is a great gift for kids all the way up to middle school. We always give it as a gift and the boys love it. The Spanish version is excellent as well.
