The Miracles Of Jesus

Synopsis

After Jesus of Nazareth was baptized, he began his public life, and he performed many miracles. Inspired by Romanesque art, Tomie dePaola brings the New Testament to life as he retells the stories of twelve miracles in the Bible. The *Miracles of Jesus* begins with "the Wedding at Cana," the first miracle, when Jesus turned water into wine at a wedding feast. This is followed by other miracles Jesus performed, such as his calming of a storm, walking on water, and raising the dead to life. This delightful collection filled with memorable illustrations is perfect for sharing and reading aloud.

Age Range: 4 - 8 years

Grade Level: Preschool - 3

Customer Reviews

When my teenage children were small, we adored reading Tomie's "Strega Nona." It was not until recently I became a church librarian and realized that Tomie has written all sorts of religious books for children. We had a clown ministry in our church and so I bought Tomie's "The Clown of God", a perfect supplement! Now I have gotten several other of his books such as "Patrick, Patron Saint of Ireland" and "The Story of Mary". The lovely thing about these books is their use of actual fact told in a way ages 4-8 can understand, and Tomie's drawing style which is lively and endearing to children and adults. I like the gowns, cloaks, hoods, Mediterranean look, arches, ocean waves. The

stylization is lovely! I would like to see Tomie do a book on Martin Luther, or religions of other lands. If you ever read this, Tomie, I am a great fan of your work! Keep it coming!

I've been in love with Tomie de Paola's work since I first read Strengenona. When I was searching for bibles and story books about Jesus for my son, I found The Miracles of Jesus by Tomie de Paola and was really excited. My husband was worried the stories wouldn't be accurate, but as we read the book we were pleasantly surprised by the accurate telling of the stories of Jesus paired with the gorgeous illustrations of Tomie de Paola. Great story book, I'd love to have a hardcover version. Timeless, classic, and a wonderful addition to any and every children's library.

Classic dePaola illustrations. The stories are quite long and taken almost directly from the bible with no embellishment. There is one miracle story per page, and it usually takes up the whole page. There is always an accompanying full page illustration.

We found this book in our church library, loved it, and decided to buy a copy to give to our grandchildren. We selected the "Library Edition" but were more than a little disappointed at the book that was delivered. The binding, covers, paper, and colors are all vastly inferior to the edition we found in the library. It is a cheap paperback with cardboard covers (no dust jacket), something worthy of Sam's Club after Christmas. The ISBN number for the Library Edition is completely different from the real library edition. The version is a cheap reproduction made in China, while the original library edition was printed in the USA. The version from is by no means "GIFT QUALITY." Save your money and get the paperback version.

Each year I use this book to teach my students about the miracles of Jesus. Tomie dePaola illustrates beautifully for the younger child with simple and colorful illustrations. Also, dePaola keeps his text close to the Biblical text. My students always enjoy the stories from this book.

No one can beat Tomie dePaola for beautiful storytelling and lovely, child-friendly artwork to accompany it. The product arrived quickly in beautiful condition. Thank you for prompt service and a great product.

Awesome book for kids; easy way to teach your kids about Jesus & Bible stories. I thought the art would be too simple, but the illustrations actually enthral my kids! Who knew??

I bought many of Tomie DePaola's books for my Godchildren and nieces and nephews for Christmas. Excellent prices and beautiful books and stories that keep Christ in Christmas!
