# My Creative Bible KJV: Silken Flexcover Bible For Creative Journaling

## Synopsis

My Creative Bible is an exciting new concept in ways to experience the word of God in Scripture. This King James Version Journaling Bible is single-column printed, with two-inch-wide ruled margins for note-taking, scribing your reflections or creative expression. Nearly 400 hand-drawn, Scripture accompanying line-art illustrations are placed throughout the Bible to enhance embracement of The Word. There is an index of the Scripture artwork - line-art suitable for filling. Users will find this an invaluable visual tool for immersion and Bible study. The Silky-Soft Flexcover Edition features a lovely floral design printed on a unique silky-textured material produced as an imitation leather, with the screen-printed design seemingly woven right in. There is an attached ribbon page marker and beautifully printed page-edges. ## Customer Reviews

I love it! I've attached a few pictures hoping to show size and a sampling of the artwork inside. Cons: 1. Flexible cover doesn't close properly. (see photo) 2. More quotes in the margins than artwork to color. 3. I need to place blank paper between pages when I draw back to back as the colored pencil tends to smear as if I were tracing the new drawing onto the previous page. Pros: 1. It's beautiful. 2. The pages are thick enough to erase without tearing. 3. A nice size for carrying

around in your purse or for study in church.4. The lettering is also a nice size. I use my regular reading glasses and have no need of a magnifying glass.

I wondered how they were going to print a full Bible with illustrations to color - but I couldn't be more pleased with my purchase! The first thing I noticed was that the pages are not white - they're a cream color. The pages are thin, but not as thin as a traditional Bible. I use Prismacolor pencils and the coloring looks just fine, no heavy show-through on the reverse side. I'm not sure how well markers would work. The paper is smooth and accepts color well. I think the part I'm happiest with is that it LAYS FLAT! I was afraid I'd have to struggle with a tight binding and smash it with one hand while coloring with the other, but it's wonderful. Others have commented on the pretty cover, and I agree, it's beautiful and has a silky smooth feel to it. Thank you, Christian Art Publishers, for a quality product that I know I'm going to get hours and hours of joy out of.

I purchased this item so that I could begin Bible study. I also enjoy scrapbooking and being creative. The Bible pages are very substantial, not thin. They will not tear or bleed through with writing. I have used a gel pen, colored pencils, and Bible highlighters and none have caused any issues with the pages (paper). There is ample space on the margins to write and make notes. The print is clear, and easy to read. The outside cover has a fabric type silky feel making the book very enjoyable to hold and it is very pretty.

This Bible is so pretty. I love the colors on the cover. The print is awesome. I wear glasses and I'm able to read the print even without wearing my glasses. It's small enough to take to church. I love that there are so many pictures to be creative on. I would highly recommend this Bible. I'm so glad that I bought it.

This is such a beautiful Bible. I am just beginning the journaling adventure and I am so excited to sit down with my new Bible. The pages are sturdier than a regular Bible so will be great for illustrations. I am very pleased with this purchase

I love this Bible!! It was a gift from my Dad, and it is so beautiful! Pros The front and back page are sprawling with things to color, and in this area I was able to use my gel pens The pages are sturdy enough to erase on The pages have plenty of side lines for notes The drawings pretty Cons The pages are thin and you can see what you colored on the previous page I came picked this Bible up

daily since receiving it, one of the best gifts I have received! I attached 2 photos, one of the half finished back, the other in how the colors show through. The bird was done (lightly) in pencil, the flower in gel pen if that helps any.

Absolutely gorgeous Bible! Some people have commented on the thinness of the pages, but if you watch YouTube videos on Bible Journaling, there are specific types of pens, markers, gelatos, gesso, etc...that will not "bleed through" on your Bible. I've found all of the products mentioned here on , and the prices are excellent compared to specialty stores (when purchased with free shipping option).

I absolutely love this beautiful bible! It's amazing, and I'm very impressed with the unique silken cover. The print isn't too small but I can see how some may wish it was a tad bigger. I adore how you can color and create to make it your own, while still being respectful of your bible. There is plenty of room in the lined margins for personal notes or sermon notes too. I hated the long wait for it since I pre ordered it, but it was so worth the wait.
