## Customer Reviews

Love, love, loved it!! I received this book as a gift during one of the the most difficult times in my life. I was diagnosed with a terminal illness and faced an uncertain future. This book on prayer served as a powerful reminder of the truth in God's word and the awesome power we have through prayer to enter the very throne room of God and lay our petitions before Him. Good read for those in need of a spiritual recharge!

The 40 days devotion is an excellent book about the baptism of the Holy Spirit. If you want a deeper and intimate relationship with Jesus Christ, this book will help you. It has some eye-opening truths you might not consider. *40 Days: Prayers and Devotions to Prepare for the Second Coming*

This book explains how the baptism of the holy spirit will change your life and the life of those you pray for. It teaches you how to pray for others and what must change in your own life to prepare yourself and others for Christ's second coming. For change to occur in your life and your church the members must be united in prayer and this book brings members together in prayer. When I purchased 40 Days Prayers and Devotions to Prepare for the Second Coming, I expected Dennis Smith to present us with another one of thousands of books saying that Jesus will be returning by next Tuesday or some immediate future date. I was pleased to see that this was not the case. It is a series of forty devotional sections accenting on devotion to the Holy Spirit, one section to daily be read and shared with a "prayer partner." While told from Mr. Smith's Seventh Day Adventist point of view, it is a book that can be easily read by people of any denomination. He writes clearly and his instructions about the Holy spirit are easy to read and understand. His message is not that Jesus is coming in the next minute but that Jesus is coming sometime and our best way to prepare for His arrival is to develop a devotion to the Holy Spirit who abides with us now on Earth.

The author's writings inspire fresh devotion from familiar texts and biblical accounts that can lead to deepened commitment to God. IMHO what makes this book(and the series) work is having a prayer partner and going through the book with that person. I started reading it alone and it did not have meaning for me until I began to share it as he instructs in the introduction and manual. Very wonderful book. I must say that I was disappointed at the end - what next- that rather than recommend some evangelical outreach or spiritual sharing; he recommended purchasing his next book. I think this is a major fail and really rather spiritually offensive. What a lost opportunity! So three books later, many are saying - still now what? I kept purchasing and reading the series to keep up with my prayer group. Later in his series, he begins to repeat what he has repeated in the first book, and you may find that you object to some of the conclusions that he begins to make. I think this first book is really a useful spiritual tune-up, and maybe he should have stopped here. I hope this helps.

praying for a move of repentance in the united states of america; for the grahams, the hinns, the nazarenes, the baptists, the pentecostals, the charismatics and everyone else to get awakened and to be a light in a dark country

5 stars for excellent content and good writing. Very scripture-based, left brained explanation of the creativity of Papa's heart. Excellent, bite-sized readings. If someone longs to experience and not just study about other people's relationships with Papa, this book will get them going!! Highly recommend to those of you who are feeling led to get up close and personal and want to test out what it's like to make Him Lord of everything in your life! :) Enjoy! :)

If you are serious about preparing for Christ's second coming... Get this book.. I have been so blessed to have received this book as a gift, now I'm giving it to others... So far, I've given away five copies..
