# Bye-Bye Binky: Big Kid Power (I'm A Big Kid Now)

## Synopsis

Babies use a binky. Do big kids? No! Big kids say, "Bye-bye, binky!" Every child's life is filled with milestones. Some happen easily; others need a little extra support. Artist and mom Maria van Lieshout has been there. Drawing upon her own experiences, she has created an engaging series of books that are just right for children on the brink of major changes and the caregivers who encourage them.

## Book Information

Series: I'm a Big Kid Now

Hardcover: 24 pages

Publisher: Chronicle Books (March 8, 2016)

Language: English

ISBN-10: 1452135363

ISBN-13: 978-1452135366

Product Dimensions: 7.2 x 0.4 x 7.2 inches

Shipping Weight: 5.6 ounces (View shipping rates and policies)

Average Customer Review: 4.9 out of 5 stars [See all reviews](#) (10 customer reviews)

Age Range: 2 - 5 years

Grade Level: Preschool and up

## Customer Reviews

The baby's nose went up in the air and the mouth opening wide. "WAAAAAAAAAH." Of course we all know that's what babies do. When the big little girl thought back she remembered that she cried lots and lots and lots of times. She cried when she was sleepy, wanted something to eat (right then and there!), and cried when something upset her. "WEEEEEEEEEEEH." BUT she didn't cry when she had that something special she loved and that was her ... binky! She would snuggle up on her blanket with her binky in her mouth. She loved that binky, but you know that binky is only for babies, not for big girls. No, not for big girls at all. "No, big kids don't need a binky. Nope!" They need other things like hugs, cuddles with stuffies, snuggles with pets, and instead of crying when they are hungry, they can have a snack. Yum! Gee, now that she was a big girl, what

could she do with that old binky? All young children have those difficult times of transition when they need extra support. As a parent, I did find that animated big boy / big girl-like tales were a huge help in assisting with developmental milestones of all sorts. Theyâ™ve long been forgotten by the child, but loom largely in my mind. âœBye-Bye Binkyâ• is very vibrant and imparts the message that itâ™s time to leave that binky behind without being corny or insulting to a child. I feel it gives a sense of pride in the growing up process as we watch a little girl fondly remember that binky, but taking pride in having âœarrivedâ• as it were. A great little book that is perfect for little hands dealing with challenging concepts.
