## Customer Reviews

This author is awesome ..Finally someone to speak about a most wanted sticky, hush-hush topic such as "Can a "Christian" listen to Secular music?"We hear and listen to all types of music throughout our travels such as at our work place to help us meditate and relax. At our dentist offices, supermarkets, shopping malls, cookouts, wedding receptions, intimate moments, while driving or washing our automobiles ect. He explains the therapeutic value of music during a stressful/non stressful day, even its effects in reviving commatose induced patients just by triggering music through its sound capabilities.Lamar Boschman simplifies, articulates, and differentiates it's orgin, background, and history, as well as helping it's readers to recognizing and understand what kind of subliminal messages "MAY" be inside it's lyrics whether instrumental music, classical music, Jazz, R&B, Rock, Rap, Turkish, Russian, Swahili, Jingle Bells or a Michael Jackson tune.(1.) Is it vulgar, cussing.(2.) Is it sexual, adulteress, homophobic, pervertic or pornatous?(3.) Does it promote violence, killing, or Anarchy?(4.) Is it Antichrist.He explains one could look back at a pleasant moment in life, such as a love one, while lowering they're heart rates, as well as our blood pressure... He cautions us to be careful not to look to far back that we could jeopardize falling back

into our old lustful temptations if we aren't CAREFUL ...So is it alright to have our radios preset to certain secular personal preferences in our lives? You read, and decide !!5 Stars \*\*\*\*\*

The Rebirth of Music by LaMar Boschman is an excellent book for anyone who is in ministry or planning on going into ministry. I have enjoyed reading it. I used some of the information to do a Music Workshop. The importance of Excellence in Ministry is a great point that the book brings out. Why? I am so glad you asked. Music plays an important role in the church service. Music is an integral part of each service, divinely appointed by God as a ministry. Music can reach the unsaved without a word being preached. Anointed music has the power to heal in so many ways. This book also gives a list of 839 reference scriptures about music in the Bible. I would recommend this book to anyone in Ministry, and not just the Music Ministry. Encourager Linda Flagg, LM, CS

The author gives a clear and complete idea about what God thought when created music and how modern Christians can use music to bring the Gospel all over the world!

The Rebirth of Music by LaMar Boschman is excellent and should be required reading for anyone who is in music ministry and thinking about music artistry (performance). This book changed my life and I am in the process of creating the Workbook and Discussion Guide to accompany the book for The Abundant Life School of Ministry and Music, here in Birmingham, Alabama. This is a book you can't go wrong with. The listing of 989 scriptures of music in the Bible alone is worth the price of the book. Thank God for this great gem written by LaMar Boschman.

I searched high and low for this book and was only able to find it here. I am so grateful for !!!
