# King James Version New Strong's Exhaustive Concordance

## Synopsis

When James Strong created his best-selling and genre-defining Bible concordance, he used the King James Bible. This package reflects that heritage and updates the look of the King James Version New Strong's® Exhaustive Concordance to reflect Nelson's KJV line. Thomas Nelson is the world's leading publisher of the KJV. The King James Version New Strong's® Exhaustive Concordance consistently sells well. The new packaging will maintain the unity of the line and will improve the current cover by clearly identifying the concordance as a Nelson product.

## Customer Reviews

The "Strong's Exhaustive Concordance" is a must have for all who seriously study God's word in the King James Bible. It is a great tool to make one understand the Word much better. It is the best buy I ever got as far as bible study concerned. The only missing is a giant letter version that would make it easier to read for me, I'm 60+. If you are in doubt to buy this concordance, I'd advise you to do so. I did and enjoy to have my copy at hand:) King James Version New Strong's Exhaustive Concordance (Concise Reference) Robbert Brown

Purchased this for my college courses and it is a great source for writing papers. The other reason I purchased it was a comparison to the Strongest Exhaustive Concordance (NIV) and found that it does not have some words that I thought should be within an exhaustive concordance. It is still a great buy, but I just feel that it is lacking in some areas of pertinent words.

Word in the Bible are missing in this issue. I gave this one away. I need the large green Exhaustive Concordance with ALL THE WORDS IN THE BIBLE IN IT.

I received this KJV concordance in good time and it was in great condition; practically brand new!  
Thanks!
