## Synopsis

For the first title in this series, Kä nstlerâ™s paintings bring history to life with vivid, high-action portrayals of the primary events that won Americans their freedom from Britain: the Boston Tea Party, the Siege of Yorktown, Paul Revereâ™s ride, and the signing of the Declaration of Independence. The epic artworks faithfully chronicle these moments from history and encourage children to look again and again for special details&#151;from the number of stars on George Washingtonâ™s flag to the style of a soldierâ™s uniform. Together with text by award-winning historian Alan Axelrod, these brilliantly explicit paintings engage a young readerâ™s attention and introduce them to American history through the visual arts.
