# Leading Jesus' Way: Become The Servant Leader God Created You To Be

## Synopsis

Leading Jesusâ <sup>™</sup> Way is how you become the leader God created you to be. Read this book to learn an actionable model of servant leadership that will positively impact both your personal and professional life. Mark Deterding learned how to lead Jesusâ <sup>™</sup> way from role models, from scripture, and from personal experience. His career that took him from the shop floor to the executive suite with responsibility for thousands of people was a laboratory for him to test out this model and refine it. Mark knew what worked for him and he wanted to help others learn to lead Jesusâ <sup>™</sup> way. First, he developed his Leadership Roundtable program. Since 2011, hundreds of people have used the program to learn the principles of faith-based servant leadership and put them into practice. Leading Jesusâ <sup>™</sup> Way will help you step into faith-based servant leadership, too. You can take your faith to work, get great results, and build up the people you work with using the lessons in this powerful book.
