# Stronger - Bible Study Book: Finding Hope In Fragile Places

## Synopsis

**Stronger: Finding Hope in Fragile Places - Member Book** by Angela Thomas provides six weeks of personal study experience five days a week plus viewer guides for the 7 video sessions of this women's Bible study. Through biblical teaching and real life application, this study teaches that believers do not have to live in weakness. God is stronger than every struggle you will ever face. All who receive Jesus Christ have been hidden in Him. We have been made alive in Him through the forgiveness of our sin, filled in Him with all the fullness given to Him, brought near to God in Him, and blessed with every spiritual blessing in Him. As we have received Christ Jesus, we are now called to walk in a manner worthy of Him. Strengthened with all power, according to His glorious might, for all endurance and patience with joy, giving thanks to the Father, who has qualified us to share in so great an inheritance. Today, because of Christ, you can live stronger. This study will guide women into biblical truth through exposition and story, so they live confident, transformed, Christ-radiating lives marked by His strength. Through accurate Biblical teaching, real life observation, and everyday application, **Stronger** will guide participants to: Stop facing today in weakness and be strengthened by God's promises to every Christ follower. Tackle everyday struggles empowered with a biblical understanding of God's riches and His love. Overcome spiritual immaturity through Christ-centered teaching that produces growth and change. Break life-long patterns of defeat and despair, refocused on the glorious hope promised to us in Christ. Remove paralyzing inner anxiousness and truly live in the peace that surpasses all understanding. Put an end to the self-focused distractions of striving, comparison, and performance so that your life will accomplish more for God's glory. Smile at the uncertain future, not because we are stronger, but because Christ in us, is stronger than all our problems. ## Customer Reviews

I teach a bible study for 25 women and we are using this book for this session. It is strongly bible-based and leads us to great discussions. We are really enjoying it and, more importantly, growing in our faith.

This was a very good Bible study. Each week touched on some aspect of my life and really helped me focus on areas of my life that I struggled with.

This Bible study has been amazing!!! Angela Thomas teaches in a way that I can truly grasp God's love & desire for me! It is so deep that I have to re-read several sentences & paragraphs then highlight it. It leaves me wanting more & draws me closer to God each study! When I am finished with this study, I will definitely be purchasing another study by Angela Thomas.

There IS hope!! Love the book. I find it very refreshing and encouraging in the midst of life's struggles. A good reminder for things you've known, as well as a challenge to think of things in ways

you might not think is even possible. A common thought through the book- God is stronger than anything, any sin, any disease, any turmoil or tragedy....HE is our strength and He gives it to those who ask :)

An excellent study. Lots of scripture. The questions in the workbook really make you think, and can touch some deep and occasionally painful places, but in the end, you always feel uplifted.

I just started this Bible study, but I love it! It is amazing! I love the prayers, the Bible verses, the way it makes you feel, and the way God talks to you through this book. Angela Thomas is great!

I was invited to join a bible study with some friends and co-workers. This bible study is inspirational and inspired me to grow stronger, to keep seeking the Lord through all life's storms. I learned to seek the Lord even when times are tough and it is not the easiest path to choose.

Bible study group book. Hits on the hot buttons that we women encounter in daily life. I was an accidental member in this class (dropped in with a friend who was running late and couldn't take me home) and rearranged my schedule to participate. I recommend to all women.
