The Wiersbe Bible Study Series: 1 Peter: How To Make The Best Of Times Out Of Your Worst Of Times

Synopsis

Often those with the deepest hurt appreciate grace most. Which may explain why Peter, the apostle who once denied his Savior, wrote a remarkable letter that celebrated the hope and grace found in Christ. Based on Warren Wiersbe's Be Hopeful, this eight-week of study of 1 Peter contains fresh insights that help connect God's truth with everyday life.

Book Information

Series: Wiersbe Bible Study Series (Book 1)

Customer Reviews

We have used the Wiersbe series in the past and enjoyed it so I ordered 8 of these for a men's group to find out that this is NOT a new edition of the commentary...but rather a 'study guide' to accompany the commentary. Maybe I'm a knucklehead but I wish they had made that more clear in the description. I had already distributed the books so I just let people keep them and ate the \$80 loss. There are some decent questions in here for further thought but this does not work well at all as a stand alone (i.e without the commentary).

There really aren't negatives to this book. It is very well written and I learned a lot through the bible study I lead. The commentary intertwined throughout the study book (inserts from the commentary book) made the study to not flow as effectively. I would suggest just have the commentary book kept for commentaries, and keep the study book as questions and promptings to discussion.

I have always liked Warren Wiersbe and appreciate the fact that this study contains so many points from his commentary. The questions can be quite tough but well worth struggling with. The questions also bring out some good discussions. I would be willing to try another of his studies.

Wiersbe's study guide was sufficient for what I needed. The shipping was adequate and the quality of the book was 5 stars. I've used this author before and find his writings to be 5 stars. Thank you, John C

As usual Warren Wiersbe is a masterful Bible teacher. He is one of my all-time favorite Bible writers. He is truly a pastor to the masses.

I thought that this was a book to read but it is a study guide for the Bible

I used this book to help me teach 1 Peter. Wiersbe writes clearly and with good knowledge. Most anybody should be able to understand him.

This study guide has been very helpful. I am using it as I teach an adult Sunday School class. It has been an excellent resource
