# Then And Now Bible Maps: Compare Bible Times With Modern Day

## Synopsis

It's time to discover why Then and Now Bible Maps Book was the #1 Bible Atlas in 2007. This amazing resource allows pastors, teachers and those who enjoy studying the Bible to compare Bible-times with modern-day countries and cities at a single glance with the clear plastic overlays. Contains 20 pages of full-color Bible maps and time lines comparing Bible and world history. Hardcover book measures 8.5" x 11". Spiral binding makes it easy to use; opens flat for ease of use. Make your Bible studies and teachings more relevant with Then and Now Bible Maps. This amazing resource contains: Maps of Bible-time regions with clear plastic overlays of modern cities and countries outlined in red Fascinating facts revealing today's geography for Bible-time places 92 places Jesus walked Paul's journeys The last days of Jesus in Jerusalem Old Testament time-line, The Beginning 1 BC New Testament time-line, 10 BC AD 100 A thorough index The maps and modern overlays include: Middle East Old Testament Assyrian Empire, Babylonian Kingdoms and Persian Empire Holy Land Old Testament (United Kingdom, Divided Kingdom) Holy Land New Testament (inset of Jerusalem at the time of Jesus) Paul's Journeys There's really no easier way to compare the geography of Bible times with modern day times than by using Then and Now Bible Maps atlas. Now you can show your students as well as tell them about historical geographic changes in the Middle East and Holy Land regions. Those you teach will be astounded to learn that: The ruins of Nineveh are in Northern Iraq near Mosul Noah's Ark probably landed in Turkey (Mt. Ararat is in northeastern Turkey) Paul was brought up in what would be Turkey today (Tarsus). He preached in Syria, Turkey, Greece and Italy The wise men were probably from Iran or Saudi Arabia. Then and Now Bible Maps includes: The Middle East during Old Testament Times Overlay of modern-day Middle East The Assyrian Empire, Babylonian Kingdoms and Persian Empire Overlay of modern-day countries The Holy Land during the time of the Old Testament Overlays of United Kingdom, Divided Kingdom, modern-day Israel and Surrounding countries The Holy Land during the time of Jesus Overlay of modern-day Holy Land with an inset of Jerusalem at the time of Jesus Modern Israel Paul's Journeys (Roman Empire at AD 60) Overlay of modern-day Mediterranean area The Old Testament Timeline compares Bible history and world history at a single glance: The century Book of the Old Testament Bible history World history An inset of the kings of the Old Testament The New Testament Timeline that allows people to compare Bible and world history at a single glance: The century Books of the New Testament Bible history World history An inset of the life of Jesus, AD 26-30 Life of Jesus facts cover the following eras of his life: Jesus birth and youth Jesus baptism and early ministry Ministry in Galilee Withdrawal from Galilee Ministry in Judea in Perea Final week in Jerusalem Resurrection and ascension Then and Now Bible Map Book uses

larger, easier-to-read type than most Bible atlases. Pastors will want a copy of this resource for themselves and to have several throughout the church as a ministry resource. An alphabetical index makes research easy.

## Customer Reviews

This Bible map book has clear plastic overlay that show where certain places mentioned in the Bible are located today! (It is also available as a set of overhead transparencies, which is ISBN 0965508234.) This spiral-bound book contains 12 full-color Bible maps, each with a clear plastic overlay that shows modern-day cities and countries. Includes the following maps: \* The Middle East during Old Testament Times \* Overlay of modern-day Middle East \* The Assyrian Empire, Babylonian Kingdoms and Persian Empire \* Overlay of same areas with modern-day countries \* The Holy Land during the time of the Old Testament \* Overlays of United Kingdom, Divided Kingdom, modern-day Israel and surrounding countries \* The Holy Land during the time of Jesus \* Overlay of modern-day Holy Land \* Paul's Journeys (Roman Empire at AD 60) \* Overlay of modern-day Mediterranean area. The print is relatively large for an Bible atlas (not giant print, but not as bad as some Bible atlases). This product is available many ways, so check the ISBN above and make sure you are ordering the correct one, because this review appears on several different product pages.\*

The overlays are good, but three overlays on one paper map gets confusing for the different time periods in history. It is difficult to read through the three overlays. I a reading the chronological bible and I am trying to follow where these Biblical events took place and the cities invovled. In many

cases for the time period involved the cities are not represented on the map. However, the time periods chosen are good. Bill Huseonica

I have studied Bible maps from various sources for a long time, and use them frequently when I study Biblical history. I have several other books, and use online sources and Bibles with maps included. I find this book to be rather inaccurate in placing the cities when compared to the preponderance of other available sources. It also seems to only show the more well known and famous cities mentioned, rather than identifying as many places as have been identified that are mentioned in scripture. I've seen much more complete maps. This book may be handy for showing slides and "good enough" for the casual user or beginner in Bible studies, but I expected much more from a book devoted to Biblical maps. If you're going to compile a work on such a specific and narrow subject matter, you would think more effort would have been put into it.

Don't waste your money! I can't believe it came with a 'free download' to print the maps... there isn't any way the Kindle version gives you the option to display the 'then and now' maps like in the original hardcover book (which I own and use frequently during bible studies). I wanted this book on my Kindle to use during a recent trip, but I didn't have a printer with me :- ( It's only the Kindle version that was a major disappointment.
