H Is For Hook: A Fishing Alphabet (Sports Alphabet)

Synopsis

In *H is for Hook: A Fishing Alphabet*, seasoned angler Judy Young tackles topics such as types of lures, where to fish, and what equipment you will need, along with the basics of cleaning, filleting, and cooking your final catch. And since every fisherman loves to brag about the "one that got away," she includes suggestions on how to capture your fishing memories through journals and photography. For anglers everywhere, reading *H is for Hook* is the next best thing to being at the end of a fishing pole waiting to land that big one.

Book Information

Series: Sports Alphabet

Hardcover: 40 pages

Publisher: Sleeping Bear Press (April 16, 2008)

Product Dimensions: 9 x 1 x 11 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (14 customer reviews)

Best Sellers Rank: #136,482 in Books (See Top 100 in Books) #22 in [Books > Children's Books > Sports & Outdoors > Camping](#) #171 in [Books > Children's Books > Sports & Outdoors > Baseball](#) #40183 in [Books > Reference](#)

Age Range: 6 - 9 years

Grade Level: 1 - 4

Customer Reviews

I have a hard time holding my 3 year old sons interest in trying to learn his letters. His twin sister is leaps ahead of him. He LOVES fishing, so I gave this a try and it worked! He loves reading this book and has learned a few more letters because of it and the fish foam letters that we bought as well.

This alphabet book moves along smoothly with engaging artwork and rhythmic verse. Very enjoyable for adults and young readers to share together.

This book is colorful and interesting for young children interested in fishing. It also has a lot of great information as they get older & gain more experience. We might have to get another copy for a

different grandson when he gets a little older.

This beautifully illustrated picture book includes both broad ideas or topics and detailed information to interest children about fishing and fish.

I bought this for a colleague who welcomed his first grandchild. He is the biggest fishing lover I know and I was delighted to find a fishing alphabet book for him to read to his grandchild.

This is a good book for a child who loves fishing. He took the book to school where the author signed the childrens' copies. Especially appeals to young boys who fish.

It was for a younger child's birthday present, so I don't know how he likes it. But he can grow into the understanding of fishing with this book,
