On The Court With Kobe Bryant

Synopsis

Kobe Bryant may be one of the youngest basketball players in the NBA, but no one would dare call him inexperienced. The son of Joe "Jellybean" Bryant, a former NBA player and star of various European teams, Kobe spent his childhood watching professional basketball. From the moment he could pick up a ball, he was learning to dribble and shoot. His basketball education was unique - a combination of lessons on basic fundamentals, one-on-one games against his dad, and keen observation and analysis of the world's best players. Kobe learned his lessons well, and at age eighteen was given the chance to prove it when he was drafted into the NBA. Fresh out of high school, Kobe showed that he had the talent and the heart to make it in the pros. This exciting biography traces Bryant's life from childhood to his part in the Lakers' 2000 NBA championship. On the Court with Kobe Bryant is definitely the best book I have ever read. It gives a complete biography about Kobe's whole life. It also includes many picture pages of Kobe inside. You should buy this book and you will be happy!

Kobe Bryant is gonna be Scary in 5 years is what I tell everybody who I talk to about Basketball.right now along with Shaq&the Rest of the Lakers they are on the Verge of a serious Dynasty run.this Book shows the start of how Kobe Bryant has been making choices&the way He has picked the path for his destiny.He has overcome alot already more than most folks truly give Him Credit for.i enjoyed the way this book out-lined everything He is About thus far&the road that has lead Him to the Player He has become.

Good I like all the information I now know more about kobe I feel like he did a good job describing the kobe ages

I absolutely love this book! the game to game talk and he intensity brings me into the book so much! I greatly recommend this book to anyone who enjoys basketball

Good Bio love it. It has detailed info and it's great for kids. Learned a lot by reading this book

Great book and great for kids. I love and I'm a kid. You should get this book for anyone bye.

Very good book, recommended to any basketball fan.
