Customer Reviews

This is an excellent animal information book and our grandchildren love it. We got it for the 3 year old's birthday and the 5 and 7 year old find it just as interesting. Many great photos, lots of facts and stories. Their Mom will be using it for home schooling reference too. It's a winner!

There's not a ton of information in this encyclopedia, but there are a lot of great pictures, and what information there was, was interesting.

great!
