Customer Reviews

There is some confusion in the product description on , as the leader's guide is not the same as the study book. I am leading 700+ women in this study right now and a handful of them have said they received the leaders guide. Usually the price is a good indicator of the content. The leaders guide is 28 pages and the top right corner says "leader guide." The study guide (sometimes called member book or workbook) is 240 pages and the top right corner says "9-session Bible study." I have contacted Lifeway and advised them that this page says "leader guide" in the product description. I will update my review at the completion of the study. The book was just published and so far I've found the material impressive. Beth Moore uses a variety of Bible translations- so to fill in the blanks in the workbook it's important to realize that her translation might not be the same as yours. Also, if you do not understand a key idea, you'll often find the next paragraph has the full explanation. This topical study is divided by these eight chapters (nine video or audio sessions are available from publisher website).#1 The Lord's Message Rang Out#2 Entrusted With the Gospel#3 Destined for This#4 Taught By God#5 Children of Light#6 Mobilized Ministry#7 To Love the Truth#8 The Lord of PeaceEach daily lesson requires about 45 minutes of time. There are five lessons per week. While the study guide has 8 week sessions, if you are using the video/audio segment then your study will be 9-week total as the first video is an introduction.

I did this study as part of Beth's summer siesta study. So solo and without the hour long videos each week. Beth did a short intro video every other week on her blog. I LOVED IT! And have bought the workbook for 2 of my friends. Can I be honest?... I had gotten a little burned out on Beth's studies. I'm not a good in-depth studier, and I had trouble staying focused for an hour video. THIS WAS AWESOME. She had me digging DEEP in the Word, searching for myself, but the daily homework didn't take an hour and I GLEANED SO MUCH FROM IT! SO MUCH! So even if you're not doing it with a group and with the videos, get it! YOU WILL LEARN SO MUCH AND BE ENCOURAGED!

Whether you have participated in other Beth Moore Bible studies or this is your first one, you will absolutely love this study. It is not as strenuous as some of her earlier studies which makes it easier

for first time participants. God will definitely bless you as you participate and study his Word.

Find encouragement for living the Christian life now and hope for when Christ returns I recommend this study to anyone searching for the hope that Christ offers through many daily challenges we face in this life. I love the way Beth digs into this one.

This is my first Beth Moore bible study, and I was impressed. She takes the reader deep into scripture, focusing on one chapter of 1 or 2 Thessalonians each week. She does an excellent job of cross-referencing scripture and explaining the significance of the original Greek words and cultural background. Having gone to a Christian college and graduate school, I've taken many theology courses; this was just as deep and meaningful as the sixteen-week courses I took back then (and significantly less money!).

Personable and informative background to 1 & 2 Thessalonians given by renowned teacher Beth Moore. Interactive questions for each chapter, format includes optional memory or handwritten work of these books,

I think I've done all but one of Beth Moore's studies and I got/learned the least from this one. The few questions she asked had either obvious answers or the question was so poorly worded I had no idea what she meant. I participated in this study with a group and actually finished it but quit watching the accompanying videos after she spent an entire session about words of prophecy summarizing the hour of chatter by saying you need to verify someone's prophecy over you. Well, duh. At the end of the study Beth tells some things that were going on in her life during the writing: a questionable mammogram, death of a good friend's husband, some unnamed tragedy in one daughter's family and the divorce of her youngest daughter. To cut her some slack, maybe she was just too distracted by life circumstances to do her usual good job with this study. To say I was disappointed is putting it mildly.

This is one of Beth's best! but then again I always say that when I start one of her studies. So well written, she can pull out a ton from an ounce of scripture. Love love love!
