I have yet to find another Bible that is more interactive, fun, and beautiful. This bible came in a hard cover in beautiful tiffany blue. The outside pages make a floral pattern. Each page either has wide margins or something to color. The artwork is easy to color and is absolutely gorgeous. This comes with an elastic band to secure the Bible together and a silk ribbon too that serves as a bookmark. I wish that there were different versions of this bible. I would love to see a nrsv. I'm this style. I hope

this review has been helpful to you!

I Love my new Bible! :) It is beautiful to look at (love the color and design on side pages) and has wide lined margins to write notes or journal on the pages that don't have illustrations (mostly illustrations of verses, which I prefer to just pictures).I was concerned that I might be distracted by the pictures, but instead I am inspired by them :) The pages are thick enough to write with a gel pen but I would not use them to color with as they would bleed through. The pages are not super thick, just a bit thicker than a typical Bible.It would be nice to have the words of Christ in red, but being familiar with the Bible it is not a major issue for me :) This is WELL worth the price :)

Such a pretty bible! Exceeded my expectations!

Love this bible beautiful lay out and great margins to create in.

This is an awesome bible to help memorize verses. The pages where you can color are a great meditation on the subject you are working on! Best bible ever! Love it and recommend it!

Wow!!! I've been wanting to start creative journaling in a Bible and don't like ESV or NIV (seemed for a while they were the only journaling Bibles out there) so I was ecstatic to find this one. I've seen others in person and they're nowhere near as cool as this one! I can't wait to get my water colors and add some color to the front and back inner covers (photos). Everything about this Bible rocks. There are tons of empty spaces along the margins and there are some that have lightly printed journaling already there. I think that's awesome because, being a beginner, I could use some ideas. It also has an elastic strap to keep it closed up (great if you plan to add layers of any sort). I got a set of 3 washi tapes and some Faber-Castell artist pens (all from also). The price on this Bible is great, too. I can't wait to buy some for friends!

I got this bible after I started experimenting anxiety. I turned to God for help and realized I needed to and wanted to get closer to god. This is my first bible and I'm so happy I choose this one. It was a beautiful hard color faux leather front. The color is true to the photo. I love the flowers around the bible. My favorite part are the verses on almost all the pages. The words are just big enough. I have no complaints at all.

This is a BEAUTIFUL piece of work, and PERFECT for gifting! I received one as a gift, then bought one for my mom for Mother's Day. It has the PERFECT balance between space for note-taking and beautiful embellished verses for coloring. Every book starts with a title that can be colored. There is an index of coloring verses. It has a good-quality bookmark, as well as an elastic strap to keep it closed. I have not found any drawbacks. Love this product! The paper is as thin as in most Bibles, but I have had good success using these erasable gel markers
