Pete's Dragon: Elliot Gets Lost

Synopsis

Elliot the puppy is lost in the forest, and needs to find a new home. Will it be with a family of sheep, or a questioning owl, or maybe some playful fox cubs? Or will his search lead him somewhere else? From the screen to the page, Elliot Gets Lost will bring the fun and heartwarming story of a lost puppy to readers of all ages. Seen in the 2016 movie Pete's Dragon as one of Pete's prized possessions, the picture book was brought to the page by the film's creative team, and features never-before-seen illustrations. Fans of the movie and picture books alike will love this story of a young puppy's journey.

This is a nice story for a young child. The story is one that shows the importance of family. It shows many different families from human to animal. It shows the importance of being with and finding your family if you become lost. Elliot is a little puppy who becomes lost in the forest. Many animals he encounters help him in locating his human family. The story illustrates friendship, love, perseverance, and how families give us security in our lives. The illustrations by Benjamin Lowery are perfect for the text. They show gentleness, love, joy, and sadness. A young child will relate to the illustrations and the story. *I received this for review - all opinions are my own*

My kids LOVED this picture book! As soon as we got it, we had to read it three times in a row before

we could even consider putting it down! Trilled to get a copy sent to us in exchange for an honest review and love this sweet way to introduce the upcoming movie to my kids!

Elliot Gets Lost is the perfect way to introduce kids to the movie, and/or continue to fuel your love of Disney's newest beloved movie. Inspired by the picture book featured in the live Pete's Dragon, ELLIOT GETS LOST, is an adorably illustrated picture book about a puppy named Elliott who gets lost in the forest, and with a little help from a few of the new forest animal friends, finds his way home. We loved this book, and read it numerous times prior to the movie's release. It was a great way to get ready for one of our most anticipated movies of the year. Whether or not you've seen the movie or plan on seeing it, this is one book I highly recommend picking up! It's a fantastic stand alone story. You don't need to see the movie to fall in love with this sweet Elliot, but if you do, be prepared to fall in love with both this book, and larger than life size Elliot from the movie.

I loved the movie and the book brings back good memories. I am going to give the book to my 21-year-old grandson who went to the movie with me.
