Natalie Goode invites all of bunk 3C for a sleepover. She is so excited that all her friends like Grace and Alyssa are coming. Then it goes down hill after an e-mail sent by Alex Kim, former jock of the cabin. Can Natalie make up with Alex and throw the perfect sleepover?

I thought this book was great because I love the way Alex compared her diabetes to Chelsea's dad's cancer. I would have been really worried if my dad had cancer and would have been really grateful to my bunkmates. The way they tried to make Chelsea feel better inspired me to think that any mean person can become a very sweet and kind person.

This book is great to read if you have been at sleepaway camp before. The girls from 3C are so excited to see each other at their camp reunion. Natalie invites the WHOLE entire bunk to a sleepover the night before. About 1 day before the reunion, the girls have a misunderstanding, and

well, down hill from there. Can the girls resolve their fight? The book is well written and another bravo to Melissa Morgan. By Elyssa

This book is my favorite Camp Confidential. I love all the details and it feels like there is a movie going on in my head. I am waiting for the 24th book, Topsy Turvy. I want to finish the series, but when will it end? This book is a great read for girls 8-13. I think the younger ages will like it because they are easy to read and easy to finish. I think the older girls will like this because you can relate to them and it is a long series. I recommend reading the first books before so you can understand the characters and settings.

My daughter is 10 years old, and she just had her first experience with sleepover camp this past summer. She is addicted to the Camp Confidential series. She has read all twelve, and has adored every one of them.

It's just all a good girlie girl snuggle up and read book but I would give it 5 stars. It has good plot and everything I think the author did a really good job on this series.

Excellent product, excellent quality, shipped promptly, will be back. THANKS for the EXCELLENT service :) :) Bought whole collection :)

Sad and interesting at the end but very fun and interesting. I think anyone can read it. I say read the series!!
