Customer Reviews

I teach first grade and I've just recently discovered this wonderful series of holiday books. Most of the children in my First Grade can read these books easily and they love them. I use them as a take off point to develop a mini unit on that particular holiday. Some holidays are difficult to explain to a 6 year old, but all of the Rookie Read-About Holidays books handle it very well. If you have small children or teach, I strongly recommend this book and all in the series.

This little book is a nice intro to what St. Pat's Day is all about. I'd recommend using it for grade 1 through 3. Some interesting pictures, i.e. girls with their faces painted for St. Patrick's Day that students are likely to find amusing and engaging. It's also short enough to be shared with a class in 5 or 10 minutes. Check it out!
