Christian Social Innovation: Renewing Wesleyan Witness

Synopsis

In business, startups seem to be the way to go these days. What can our faith communities learn from entrepreneurship? Christian Social Innovation author L. Gregory Jones looks at how our need to develop "refresh expressions" for gatherings of community and our desire to cultivate a renewed sense of mission are the basis for the growing interest in starting new churches and establishing church plants.

Customer Reviews

Within the biblical narrative framework about God's Reign, L. Gregory Jones builds a theological bridge between episodes in the Wesleyan tradition and current discussions among social entrepreneurs. Like any beautifully constructed bridge, Jones' work invites us to cross-over with "holy ambition" to reconstruct Christian social witness on a bigger scale by building institutions that foster flourishing (shalom).

Insightful, practical, and inspirational
