Spiritual Warfare In A Believer's Life

Synopsis

Spurgeon was a seasoned veteran in meeting Satan at every corner and defeating Satan in the power of the gospel. But in keeping with his practical style, there was nothing abstract or mystical about Spurgeon's teaching. He directed his focus where he found Satan at work in the lives of people - enslaving them in sin, keeping them from the influence of the gospel, hindering their spiritual development, bringing discouragement, depression, and moral failure. Believers need not wonder about satanic principalities and power and how they are to engage them in battle. These life-changing messages of Spurgeon will meet you where you live and help you become more than a conqueror in spiritual warfare.

This is another edited compilation of some of Mr. Spurgeon's sermons preached by him. I thumbed through the titles, and was delighted to see that I have access to the complete sermons. I gave this to a dear friend going through some dark times, and it is full of encouragement. For those who do not have access to all of Spurgeon's works, this is a sample of those that are so well suited with lessons that are necessary for growth in the Christian life.

A great doctrinally sound work on spiritual warfare. Definitely recommended reading if you wish for a scriptural approach versus the "anoint your house with oil/ cleanse your neighborhood by prayer" literature which is plaguing a lot of Christian bookshelves. I definitely recommend this book along

with John MacArthur's "How to Meet the Enemy" and Thomas Brook's "Precious Remedies Against Satan's Devices"

Charles H. Spurgeon, a theological titan, was the astounding preacher of a *Å* in 19th-century England. He had innumerable encounters with adverse spiritual forces, and had many victories during his life. Subsequently, this book is written from the standpoint of a seasoned veteran who has been battle-tested and therefore gives real, practical, and hard-hitting advice that will confront and challenge the most vulnerable areas of your walk and meet you where you are in your war preparation. *Spiritual Warfare* is based on sound Biblical doctrine, and in clinging close to the Word of God, it yields an empowering and potent message. This book will not only ignite the fire in your spirit to become the conqueror God called you to be but will also reveal how to break the bondage of sin, how to break the wheel of spiritual stagnation, and at last, how to overcome guilt, sadness and despair. The first eight chapters provide an analysis of Satan's battle strategy and temptation (e.g., *Satan Conquering the Saints* and *The Roaring Lion*) and how God, through Christ, provides the only viable option to defeat the enemy (e.g., *Christ Triumphant*, *How to use the Word of God* and *An Antidote to Satan's Devices*). Chapters 9-12 describe the individual pieces of the armor of God, and in my opinion, this is the highlight of the book. Here, you will find a step-by-step and piece-by-piece blueprint and how we ought to prepare for war, and the peculiarities of engaging in a spiritual fight. Additionally, *Spiritual Warfare* contains an innumerable number of pearls of wisdom, Biblical teaching points, and chunks of marvelous exegesis. And while this is a *book* it was derived from a collection of Spurgeon's sermons, so it is replete with beautiful poetry, imagery and metaphors. Resultantly, some parts of the book feel as if you are reading the letters of a determined soldier on the battlefield, while others place you in the victorious arms of the Lord during His triumph over evil at the cross. Spurgeon excels at painting a clear picture of how the reader can righteously walk with Christ to defeat the deceiver. This book is a shining tower of light and hope for all believers who will undoubtedly find Spurgeon's words gripping, poignant, and motivating. Particularly for teachers and preachers, this powerful text provides a *how-to* roadmap for those waging war against spiritual strongholds and principalities. *Spiritual Warfare* will certainly give you the confidence to proclaim the power of the Word of God to all those who no longer wish to be enslaved to sin and the powers of darkness. For preachers, your lessons and sermons will be incomplete without this book. For all believers, your Christian walk will be incomplete without this

book, and the power contained within these pages will whisk your dormant theological imagination into shape. Read this book and prepare to have your life and your relationship with God changed forever.

I chose this book because I wanted to know and understand more about spiritual warfare in a believer's life. Charles Spurgeon is the best writer on the Bible I know, and he understands what God has written. I am not saying he knows it all, no one does. I bought more of his books because they contain what I need and want to know about how to "stand firm" against and not let Satan and his demons (the angels who followed him). I recommend this book to all who want to know the truth. People who go to any church will not hear any of what is in this book or any of Charles Spurgeon's books.

A must read!!! Spurgeon will not let you down. This is a great resource to your Bible studies.

I checked this book out from our church's library one day on a whim. My husband saw it and devoured it. So this book was purchased so he could have a copy for himself as he wanted to read it again and be able to highlight.

Spurgeon, like Martin Luther, just appeared to UNDERSTAND God's word, and he could clarify it, causing it to take on a Persona in the Believer's Life. What good is a message, written or spoken, if it makes no difference in one's life? That is wasted money and time. Not with Spurgeon!

I love Charles Spurgeon. The wisdom given to Spurgeon by the Lord astounds me at times. I have had the privilege of sitting under the teaching of some of the best expositors of our time. Spurgeon has a way of painting a picture with words that draws you into the truth of scripture and places your feet as if you are there. If you have ever experienced spiritual warfare, you know it is real and it can be daunting if you are new to it or do not have the foundational truth of your victory sealed in the Lord Jesus Christ. I highly recommend this book and "Morning and Evening" by Spurgeon revised by Alistair Begg.
