Age Range: 8 - 14 years

Grade Level: 3 - 4

## Customer Reviews

I think this series is a very good one. I use them with my ESOL students as they learn English and American History. The story itself is a good one and told very well. Recommended.

I am a teacher and my students absolutely love these books! I would give them 5 stars, but they are cheaply made and pages start falling out after only a small amount of use.
