The Egyptology Handbook: A Course In The Wonders Of Egypt (Ologies)

Synopsis

Inside this indispensable and beautifully illustrated workbook is everything you need to know to become an esteemed Egyptologist. As readers of the fascinating EGYPTOLOGY are all too aware, the feisty explorer Emily Sands mysteriously vanished on an expedition up the Nile in 1927. But in a remarkable turn of fortune for Miss Sands's many fans, detectives have uncovered a second volume penned in her own hand — a course book on ancient Egyptian history and culture intended for the voyager's beloved niece and nephew. Now available to budding Egyptologists everywhere, this comprehensive volume — illustrated by the same artists who lent their talents to EGYPTOLOGY — is brimming with facts on ancient Egyptian culture and history, followed by intriguing assignments and fill-in opportunities on everything from archaeological finds to theories on how the pyramids were built. Among the book's delightful novelty elements are: — An envelope containing Miss Emily Sands's Top Ten Things to See in Egypt — Flaps to lift, revealing hidden treasure in desert sands — A four-page foldout section full of stickers featuring treasures from King Tut's tomb and other ancient Egyptian artifacts.

Customer Reviews

*****"Though Emily Sands mysteriously vanished on an expedition up the Nile in 1927, this intrepid

archaeologist left behind several works on Egyptian history and culture for young readers.... in a remarkable turn of fortune for Miss Sands's many fans, detectives have uncovered a second volume penned in her own hand ... for the voyager's beloved niece and nephew."*Who can resist the allure of ancient Egypt, should be its author's motto, full with the thrill of uncovering mysteries left hidden for a few millennia of years? This attractive model travel and demographic discovery scrapbook that serves as a course for developing creative young Egyptologists, entertaining and informative. Inside this articulate and appealing illustrated workbook is everything you need to know to be a good Egyptologist."A Handbook of Egyptology," was number 1 New York Times best-selling Egyptology books. Inside this beautifully illustrated handbook, and inspiring field workbook, is all the needed introductory guidance for my curious grandson Stephen Noah (7 years on August 16) to help him become an amazing young Egyptologist. I searched my library and was seeking vivid Egyptology for the fresh minds and global generation. As readers of the fascinating Egyptology are aware, the spirited explorer Emily Sands mysteriously vanished on an expedition up the Nile in 1927. Young fans of Egyptology and the fictional amateur archaeologist Emily will look forward to devour with their eyes the pages of "The Egyptology Handbook: A Course in the Wonders of Egypt, by the same mysterious Sands. The beautiful illustrations are by three gifted artists I. Andrew, N. Harris and H. Ward.
