A Baptist Manual Of Polity And Practice

Synopsis

Written in a clear, contemporary style using inclusive language, Dr. Maring's unique approach combines fresh insights into the New Testament concept of the church with thoughtful interpretations of Baptist history and tradition. Maring explores hallmarks of Baptist identity, biblical roots of Baptist doctrine, qualifications and responsibilities of church membership, and fresh perspectives on baptism and the theology of the Lord's Supper. This new edition blends principles of its highly regarded predecessor with dynamic ideas for ministry in the twenty-first century.

Provides good overview on the historical and theological development of Baptist churches in the first 3 chapters and the eighth chapter (which specifically deals with Baptism and Communion). Chapters 4-7 describe the traditional views of Baptist organization. These chapters may be very useful for newly established congregations. For congregational leaders of older churches looking for new ways to organize ministry, these chapters are helpful for an understanding of past processes. The last 3 chapters describe how congregations may fit into larger structures of the church on earth.

This book covers most things Baptist. It has a great deal of historical information. My only disappointment is that it seems to be somewhat dated. However, knowing where we have come from is essential if we want to understand where we are going.

I found this book informative and interesting most of the time. I did disagree with a few points! As a textbook it covered all the required material.

This book was ordered for a class, and it was just what I needed. It is a very comprehensive book about what it means to be a Baptist.

GREAT TO USE FOR COMMITTEE MEETINGS ANS A RESOURCE. WOULD RECOMMEND TO OTHERS TO USE AND TO KEEP AS A REFERENCE.

Helpful in sorting out how Baptists administer church polity: history, theology, leadership, other officers.

Must have written perspective to navigate church politics.

Very good reference and resource for church use
