Customer Reviews

Considering the abysmal level of much preaching these days, any person coming out of any seminary ought to be issued a copy of this book. At least SOME sermons would improve. And anyone who wants to witness for Christ ought to buy this too. Because they'll do it much better.

Spurgeons notes were spectacular. They were consise and valuable to the soul and spirit. With these notes I could preach a sermon myself. Spurgeons notes are valuable for the people today that are very serious about their Faith and who truly want to have a deeper walk with God. He makes real to you what the word of God is saying to our hearts. I would recomend it for every serious student of the word. Barbara Oakes

First off, Spugeon is a solid writer and preacher. That being said, the title of the book is very misleading. There are NOT 250 sermons and notes to look over (not in the paperback version anyways). Definitely find someone who has a copy and look it over before you buy it. Mine was a book of about 20 sermons, all doctinally sound, but defintely NOT what was in the product description.

this should be used for those who want to become preachers. great preachers like Spurgeon

Spurgeons Sermon Notes is a valueable tool in any Bible study, good for Bible school teachers, and Pastors. It is also wonderful for personal Bible study as well.

Good book for referencing and commentary on verses. He tends to go on and on about a verse. It would take you 5 years to read it all thru. He could tell you an hour long serman on one verse. But, you should get it just to see for your self or keep it in your library. It will look good in your library.

This is a great support to your bible reading. We have many of Spurgeon's books and this one is as expected; well written.

The notes of 250 sermons of Charles H. Spurgeon are outstanding! They prove valuable and insightful for personal devotion, study or sermon preparation. Spurgeon was a Bible preacher and these notes help provide his perspectives and applications of the Word of God.
