The Indwelling is the 7th book to be released in the Left Behind series, written by Jerry B. Jenkins and Tim LaHaye. The Indwelling picks up immediately where Assassins, book #6, left off and reveals who killed the Antichrist. The assassin was somewhat predictable, but many other suspects clouded the actual identity of the assassin. The Indwelling gets very spiritually in depth, especially when Rayford Steele flies back home all by himself, and when Tzion Ben-Judah begins "dreaming dreams." When the safety of the safe house is questioned, David Hassid locates the STRONG Building, which will hopefully house all of the Trib Force and then some. As the funeral nears, the pace picks up somewhat, and a few mysteries surface. When Nicolae Carpathia (the Antichrist) is indwelt by Satan, he begins quoting Jesus and claiming his "divine power." The Indwelling is probably one of the best books so far, but the story moves slowly. The entire book only goes over a

period of about 3 days, and that's not very much when it's a book that long. The book leaves us with only a few small cliffhangers, unlike the previous book, Assassins. The upcoming 8th book, The Mark, should answer the question of who might betray the Trib Force, what the numbers of the ten kingdoms mean, and the rise of a new technology, a mark that everyone will have to have to be able to buy or sell. I give The Indwelling 4 out of 5 stars, even though it hosts a slow plot, it takes you for a wild ride.

I bought The Indwelling at lunch yesterday and could not put it down until I finished it last night! For all of the readers who rated the series negative for lack of action, this book has lots of it. The AntiChrist is dead, Rayford is on the run as the prime suspect, and you don't find out who did kill Carpathia until over halfway through the book. If readers would remember that this is fiction based on the Bible, I believe they would be more satisfied with the series. I am eagerly awaiting The Mark!

Two Thumbs up to these authors for their heavenly inspiration of what life may be like if you are not ready the first time around. It is so refreshing to see Christian authors in the spot light. I completed all seven of the books and wanted more, so I have started reading the "Left Behind series for Kids". They are just as good. They even include the main characters from the adult series. In less than a week I completed 4 out of the 8 books, which are less than 150 pages each. I have gotten my kids interested in them, and they love them. I tell my kids I HAVE to read the books before they do(smile). I truly believe we are in the end-times and that these books will be a tool to cause many people to really think about where their lives are going.If you want to get a person started reading this series, just give them the first book and they are hooked. I have not read books so intensely since "Piercing the Darkness" and "This Present Darkness" by Frank Peretti.Any book that makes people think about being left behind after Christ returns is a must read. Also the Left Behind series is written by experts. It is a fictitious story written around true facts. ENJOY, but be ready to examine yourself...

A very riveting volume in the Left Behind series. Read it in 3 days and cannot wait for the next book to be scheduled for fall 2000 release. Reading about Tzion's heavenly experience was wonderful.

The Indwelling is the seventh book for the Left Behind series and it is absolutely overwhelming in the excellence of the writing of this book. The authors keep you turning pages throughout the entire book. There isn't one single boring part in this book. You will not be disappointed with the

continuation of Assassins. You finally find out who killed Carpathia, and what is happening with the dangerous situations the characters that watched the assassination. I eagerly wait for the next book, The Mark, coming out on Nov. 14 this year.

I pre-ordered this book in March. When it finally came, the power in my city was out due to a bad storm. Propped up against a window for light, I devoured this book as if it was my last meal. LaHaye and Jenkins are truly gifted. If you like the other 6 books, then you will definitely love this one.

If you read this book primarily to find out who killed Carpathia, chances are you will find yourself somewhat disappointed. The book does answer this question, however, you have to wait after the very detailed plot and character development before this mystery unravels. The tribulation force is now scattered and facing several dangerous challenges. The battle between the tribulation force and the Global Community Forces take place in several different areas: *Rayford must escape Isreal while giving himself a spiritual inventory. *Tsion Ben-Judah gets a glimpse of battle in the spiritual realm through a series of dreams. *David, Annie, Mac and Abdullah are on the front lines of the war as they battle for the tribulation force right under the enemies nose *Buck Williams investigates the mysterious disappearance of Chaim Rosenweig *Leah runs into another believer who has an inside track on Hattie's location All of these subplots initially develop separately as communication between the body of believers is temporarily severed. They then come together and the plot climaxes as Fortunato seems to gain more political and supernatural power. Does Satan take possession of Carpathia's body and ressurect it? This question is answered near the explosive end of the book. Tim LaHaye's and Jerry Jenkins' talent for excellent character development and incessantly intriguing story lines is manifested in this book. You must be patient and appreciate the details in order to fully enjoy it. The authors know how to tease you enough so that you keep reading. Although a lot of question are answered in this book of the series, it creates new questions that will make the reader hungry for the next book "The Mark!"
