Customer Reviews

I am a youth pastor and am currently using this book for a basis for a middle school small group. They are encouraged to read it every day. It is hard to find a good "daily devotional" book suitable for young teens. This book has a scripture and an explanation, then leaves the reader with a thought or challenge for the day. It is great for the teen wishing to start or continue a daily devotion habit, and is also working great as a "read and discuss" small group platform.

Great Product. I purchased this for my granddaughter who is new to being a Christian and she loves this book. Would recommend to any teen.

Such a full quick read for the busy young adult...no excuses not to read one a day!

I bought this devo for my son, perfect to do before school! It has practical important life lessons. Definetely recommend!

I bought it for a gift haven't given it yet
