I wasTOTALLY AMAZED at the quality of this book. This book was selling for over 100.00 bucks at the school's bookstore. I found a much cheaper price here at .....and the quality.....I could not believe how GREAT the quality was when it arrived! Whoever sent it to me....took the time to package it. This was my first time buying my school books at ....I will definitely check here before buying any books from the school book store.
