# I Love Guinea Pigs: Read And Wonder

## Synopsis

"A wonderful celebration of the attributes of guinea pigs... A popular pet and familiar subject is given new vigor and interest through originality, love, and respect." —The Boston Globe  
LOVE GUINEA PIGS is an affectionate guide to the most charming of very small animals. Did you know, for instance, that guinea pigs rarely get sick and love to eat? Or that they love one another and have adorable children too? Portrayed in all their amiable chunkiness, guinea pigs finally receive the tribute they so richly deserve.

## Book Information

Lexile Measure: 990L (What's this?)

Series: Read and Wonder

Paperback: 32 pages

Publisher: Candlewick; 2nd ed. edition (August 1, 2001)

Language: English

ISBN-10: 0763614351

ISBN-13: 978-0763614355

Product Dimensions: 9.2 x 0.1 x 9.8 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars — See all reviews (51 customer reviews)

Best Sellers Rank: #41,069 in Books (See Top 100 in Books) #31 in Books > Children's Books > Education & Reference > Science Studies > Zoology #158 in Books > Children's Books > Animals > Pets #164 in Books > Children's Books > Animals > Mice, Hamsters, Guinea Pigs & Squirrels

Age Range: 4 - 8 years

Grade Level: Preschool - 3

## Customer Reviews

I do research on every animal I own and this was one of the most informative books I have ever found. The animation is extraordinary and it has made my daughter aware that books can help us all in raising our animals properly. I don't know how many times we have referred to it for one question or another about our guinea pigs. We also love to just go back and look at the pictures because they make us smile. A wonderful children's book, and if I do say so myself, it is great for adults too. I am so very glad we found this book and bought it. I would highly recommend it to anyone getting or already having a guinea pig. Jackie and Kathy Fisher

I bought this book for my daughter just before we got her first pets, two guinea pigs! The pictures are lovely and the book covers guinea pig likes and dislikes, as well as their basic needs from vitamin c to clean water. The best part though is the author's continued assertion that guinea pigs love to be cuddled!

Warm, richly illustrated with very accurate yet cartoonish guinea pigs by the same illustrator as "Guess How Much I Love You" and anecdotal thoughts from the author of "Babe". Even King-Smith's ramblings are more informative and entertaining than most "learn all about your pets" books aimed for children OR adults. Adult guinea pig keepers tend to find this book FAR more touching and fascinating than kids--I guess because they can relate to King-Smith better. Only complaint--the book is FAR too short

I think adults can enjoy the book as well. Smith is charming, witty and very knowledgeable about the species.

My 8-yr-old wanted a Guinea Pig but I thought we should start with some care guides to make sure it's a good fit for the family. This book is written by a man who has raised guinea pigs for years. It is written for children but also very informative. He has enjoyed reading it several times.

My daughter loves this book. She got it for Christmas to go along with the guinea pig that Santa brought. It has taught her a lot about the animals and given her confidence as she cares for her first pet. Great read for all ages.

Very well written. I've had 5 guinea pigs in my life time since I was around 7 years old (I'm 50 this year). They all lived to be around 7 years old. They are a very good pet! I've really enjoyed their company throughout my life (including 3 hamster's while I was in Japan when I was a kid). Now my daughter is interested in Guinea pigs and this book is very accurate, educational and easy to understand.

Love, love, love this cute book. I have four guinea pigs. I bought it for the grandkids to read when they come over. It has really cute, fun guinea pig facts! Darling photos. I think I love this book as much as the grandkids!
