My First Book Of Memory Verses (My First Books)

Synopsis

These Scripture verses are chosen to give a rounded view of the gospel and also to provide comfort, guidance and character to face the trials and joys that life brings. This is a useful addition to 'My First Book of Questions & Answers' - a modern catechism with scripture proofs. Together they provide a God-given structure to the faith of young lives.

Customer Reviews

I really like the concept of this book, and was impressed by the endorsement from C.J. Mahaney, but I'm still looking for the perfect book that has simplified versions of key bible verses that can be learned by a three year old. Many of these are far too long, and require too much explanation for a child who is memorizing his or her first Bible verses. When our sons are a little older this will be a good reference for them but we have to find something else for their actual "first" book of memory verses.

We love this little memory verse book! My son is just 2 and has learned to recite 6 verses over the last 6 months. I am very proud of the progress he has made just through spending about 5 minutes before bedtime each night. This is a wonderful investment for your child's future. Hide His word in

their little hearts at an early age! Buying more to give to my Sunday school class.-happy buyer

This book will be part of the Christmas gifts for the kindergarten class of the church daycare. It is a good starting point to get kids and their parents to know some of the truths of the Bible

I love it because it makes it easy for my four year old to learn Bible verses. It is not complicated for her.
