Emeraldalicious (Pinkalicious)

Synopsis

When Pinkalicious and Peter decide to visit their favorite park, they find that it's no longer their favorite place—the park is now filled with stinky trash! Pinkalicious has an idea and makes an extra-special wand out of a stick and some flowers. Now whenever Pinkalicious makes a wish, adds a little love, and recites a pinkatastic rhyme, something amazing happens: Everything turns greenerrific! Join Pinkalicious as she turns an ordinary place into an Emeraldalicious world! Kids will love this colorful picture book with a message about doing our part to keep our world clean and beautiful. Supports the Common Core Learning Standards

Grade Level: Preschool - 3

Customer Reviews

We received our pre-order copy of Emeraldalicious yesterday and it is a nice book with a lot of imagination. It is a beautiful Hardcover book with a quality dust jacket and great artwork on heavy paper. The best part about the story is that it is very positive throughout. Some of the Pinkalicious books have had some negativity to them where there was a dislike for pink from some mean girl types that Pinkalicious ran into that didn't really make for a fun read. Not in this story. Early in the book, while walking through the woods, Pinkalicious breaks her wand. Instead of getting upset about

it, she quickly makes a new one out of a sticks and flowers with the help of her little brother. This new magic wand becomes the tool for a great new pretend adventure with her little brother when they come across lots of stinky trash thrown all over in the woods. This magic wand proceeds to make new, beautiful things out of the junk that had been strewn about, which teaches recycling and reuse in a kid friendly way. Pinkalicious and her little brother Peter work well together building a shiny new Emeraldalicious world. While this is a pure fantasy story and is a little more "out there" than some, it will exercise a child's imagination while emphasizing working through problems and finding solutions, recycling and reuse, teamwork, beautifying nature and pretend play that is great skill for kids to learn. Long story short, the book has a positive and fun story with a happy ending and nice artwork. While it isn't my favorite Pinkalicious book, my girls like it. Recommended for your Pinkalicious Fan!
