Customer Reviews

This past Christmas I decided to give password books with gifts for friends and family members. I've found my own to be super useful and am writing this review to share a comparison of the ones I purchased here on .I'm uploading some photos that will tell you more than my words here do. Below are links for the books, in the same order they are laid out in the first photo I'm posting. Book #1 is the red one I personally own and love, (this one is not currently available here but for comparisons, this is it) The Personal Internet Address & Password Logbook - Red If you want to read my review with photos, you can do so here,
