# Revelation Deciphered

## Synopsis

Revelation Deciphered by Nelson Walters will knock the spiritual socks off the Church! Scripturally sound and recommended by dozens of Bible scholars, Revelation Deciphered is a monumental, one-of-a-kind, Bible-wide commentary of the end times. Nelson Walters demonstrates that Revelation contains references to hundreds of Old and New Testament passages. These references decipher the meaning behind Revelation's cryptic prophecies. If you have ever wondered what Revelation is all about, the answers were always there in Genesis, Deuteronomy, Joshua, Judges, Joel, Job, Psalms, Isaiah, Jeremiah, Ezekiel, Daniel, Zechariah, Zephaniah, Micah, Matthew, Mark, Luke, John, etc. Understanding Revelation in this new, fresh, biblical way organizes all of biblical prophecy into one coherent whole. Revelation Deciphered shows how these puzzle pieces fit together. Nelson Walter's method provides answers to questions whose solutions have lain concealed for centuries: Is there a "Pattern of Seven Events" woven throughout all of scripture that identifies and explains each year of the upcoming time period our culture calls the Tribulation? Does this "Pattern of Seven Events" help reveal the timing of the Rapture with precision? Are the "Letters to the Seven Churches" in Revelation prophetic and not just historic letters or Church Ages? Do these unique prophecies provide the Church with detailed instructions on how to overcome the trials that lie ahead? Does scripture predict a major Mideast war prior to the Tribulation that will launch the career of the Antichrist? Where does scripture predict he will arise? What are the Four Horsemen and the Beast; and how are they related to the rise of Islam? Most importantly of all, how should Christians apply what they've learned from Revelation to live victoriously in the days ahead? You will be amazed and blessed by the new insights uncovered in Revelation Deciphered. This is unlike anything you have read before.

## Book Information

Paperback: 576 pages

Publisher: Ready For Jesus Publications; 1 edition (September 10, 2016)

## Customer Reviews

I have been fascinated by the book of Revelation for over 25 years and have studied it more than any other book in the Bible. I would have to say Revelation Deciphered is the best and most interesting commentary on Revelation I have ever read. Its strength lies in its approach â€” taking Scripture at face value and allowing Scripture to interpret Scripture. I have been sharing insights from this book at our church and at our Christian school ever since I was privileged to read the draft. Steve MÃƒller Pastor, Faith Baptist Church, Gladstone, Queensland, Australia

With this ground-breaking masterpiece, Nelson Walters has established himself among the preeminent scholars of end-times prophesy. In Revelation Deciphered he has clearly, concisely, and conclusively laid bare the Biblical truths of the book of Revelation and brought clarity to what has for so long confounded millions of believers. This book is a must read for anyone who believes, is struggling to believe, or has reason to doubt that there is a reason to believe!

Revelation Deciphered by Nelson Walters will knock the spiritual â€œsocksâ€• off the Church! These are exciting times. We are on the cusp of a new scripturally-sound, integrated understanding of the prophecies of Daniel and Revelation. Truly letting scripture-interpret-scripture provides unique insights into Godâ€™s prophetic Word. The Church needs this teaching to wake-up and properly prepare for events during each year of the 70th Week of Daniel, up until the Rapture. You will receive a â€œstrange stirring of the heartâ€• as you read this account of Jesusâ€™ overall plan of redemption. Amazing new insights. Perfect timing for the Church. Highly recommended! Joseph Lenard Co-author (with Donald Zoller) of The Last Shofar!---What the Fall Feasts of the Lord Are Telling the Church (2014)

"Refreshing and Solid! In Revelation Deciphered, Nelson Walters provides an intriguing and powerful thesis on the Book of Revelation. He proves it cannot be read as a stand-alone section of scripture, but demonstrates instead that it must be understood through the prophetic cypher of the Old and New Testaments. This, he contends, provides the Key to the enigma and allows for the full disclosure of the often hard to understand, misinterpreted, and symbolic language. To decipher Revelation any other way is to completely distort the meaning and end up inside a delusional

paradigm that is much of what we see in end time teaching today. Nelson provides an essential bridge back to reality that encourages us to journey again into this mystery book with confidence. Katie Griffith Publisher, Daily Prophecy Digest
