Baseball World Series (Little League)

Synopsis

The final book in the series has Liam and Carter's teams on the verge of winning the greatest championship of all: the Little League Baseball® World Series. Cousins and best friends who grew up playing baseball together, Liam and Carter must now play against each other to achieve their dreams of winning the Series title! One cousin will win, and the other will lose. © 2013 Little League Baseball, Incorporated.

Customer Reviews

In Baseball World Series by Matt Christopher, the main characters are named Liam and Carter. They are cousins that live in Pennsylvania together, but Liam's family moves to California. When they both lived in Pennsylvania, they played baseball together. They had an enemy named Phillip DiMaggio. He played a mean trick on Carter in baseball camp. When Liam moves to California, he is surprised that he ends up in Phillip's home town! And Liam is even more surprised when he ends up on the same team as Phillip! Their team works hard and they make it to the championship game where Liam faces Carter's team . . . The conflict is that Liam has to face Carter in the Little League World Series!! really like this book. The author does a good job explaining plays in the

game. For example, when the author shows how Liam's team makes a double play, he makes it easy for me to picture the players' movements. Also, I got very attached to the players because they remind me of people I know. I would highly recommend reading this book. One thing to know is that the first book is actually supposed to be read last. I hope you enjoy this book as much as I did!
(by my 4th grade son)

Got it in kindle version for my 12 year old boy and he finished it by lunch time the second day. Wish he read all books this voraciously!

Baseball World Series (Little league) is an exciting baseball story about two cousins who play against each other on opposite teams during the World Series championship. And as I read this story I'm reminded about a game I saw the other night with the Boston Red Sox and St. Louis Cardinals at Busch Stadium on TV. Joe Kelly whom just got traded to Boston last week from St Louis was the starting pitcher for Boston. Oh well. I suppose trades go along with the territory and playing against the best of buddies or relatives like in this baseball book is something all the players must get use to. And even cousins like Liam and Carter learn to play against each other, after-all, the goal is to win ball games and not belly ache about the circumstances. Matt Christopher does an excellent job again writing about a baseball story that will interest kids of all ages. Surely, this is another great baseball story. Many kids are inspired to play better baseball after reading this story, I give it five stars, and I'm Marvin P. Ferguson, author of BOYS ON THE GOLD COAST.

I sincerely believe that Matt Christopher hit this book out of the park. Great word choice and excellent use of figurative language. You always want Liam and Carter to succeed even when they have to play against each other in the Little League World Series! I have read all 5 books in this series and I would give each of them a perfect 5 star rating.

This book was one of the best books I've read in my whole entire life. Definitely consider reading this book.

a excellent book I loved everything in it recommended to anyone who enjoys sports or baseball. I love this book and I'm sure you will too definitely worth spending your money on! Written by Christian Chris

My 7.5 year old son burns through these Little League books in 1-2 days - he absolutely loves them. Perfect for any young baseball fan.

This book was good because I love baseball and the friendships and the experiences seem great and if I were there I would love it too
