The Jesus I Never Knew

Synopsis

“There is no writer in the evangelical world that I admire and appreciate more.” • Billy Graham
Philip Yancey helps reveal what two thousand years of history covered up. What happens when a respected Christian journalist decides to put his preconceptions aside and take a long look at the Jesus described in the Gospels? How does the Jesus of the New Testament compare to the “new, rediscovered” Jesus—or even the Jesus we think we know so well? Philip Yancey offers a new and different perspective on the life of Christ and his work—his teachings, his miracles, his death and resurrection—and ultimately, who he was and why he came. From the manger in Bethlehem to the cross in Jerusalem, Yancey presents a complex character who generates questions as well as answers; a disturbing and exhilarating Jesus who wants to radically transform your life and stretch your faith. The Jesus I Never Knew uncovers a Jesus who is brilliant, creative, challenging, fearless, compassionate, unpredictable, and ultimately satisfying. “No one who meets Jesus ever stays the same,” says Yancey. “Jesus has rocked my own preconceptions and has made me ask hard questions about why those of us who bear his name don’t do a better job of following him.”

Customer Reviews

The renowned Christian book author, Philip Yancey, deserves "five gold stars" for his thought-provoking book, *The Jesus I Never Knew*. Yancey's training and experience as a journalist is evident in his exploration and historical detailed life analysis of the human being we call "Jesus."

His book tells the story of this great Man who changed history, but that's not why he wrote it. As explained in Part One, "Who He Was," Jesus was the dividing point in Yancey's life. Although Jesus lived over 2,000 years ago, Yancey and Jesus have a very personal relationship. He states: "Nothing, not even the murder of God's own Son-can end the relationship between God and human beings." Yancey reminds us "too easily we forget what it cost Jesus to win for us all-ordinary people, not just priests-immediate access to God's presence. How important is that? Yancey states, "According to Jesus, what I think about Him and how I respond will determine my destiny for all eternity." I'd say it's the most important decision you could ever make. As I read his book, I began to wonder, should this be a Wiley Publishing, Jesus For Dummies book? The Jesus we learned about while growing up, the typical Sunday school stereotype is a humble, soft-spoken, longhaired, modest Man. This is the King of Kings and Lord of Lords of all creation? This is the man that battled Satan? This is the man that hung on the cross by nails pounded into his flesh? Through extensive use of biblical references, Yancey explains how our preconceived ideas about Jesus' personality and looks may be misconceptions. Yancey also explains that Jesus purposefully walked through life and was comfortable meeting folks from every walk of life. Would you be comfortable associating with prostitutes, leprosy victims, and thieves? Jesus was, and still is.
