Tough Call: A Little Book On Making Big Decisions

Synopsis

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, *Tough Call*, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to get it right. • Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. *Tough Call* is an enjoyable and essential read for any and all facing a major decision.

This is a timely gem for my family! Thank you for your insight and encouragement! Especially comforting is this quote from Chapter 1, because there are several areas of our lives that do feel like a puzzle! Your Heavenly Father has promised to guide the pieces of this puzzle called life into their proper place and to corral the random, risky, mundane and monumental moments of life toward his ultimate and good will. The biggest force in your life is the sovereign, all-powerful, hand of God. Step back and take in a new and peace-giving perspective. Look around and see that you are small and God is big, that you are limited in your ability to control the outcomes of life but that God is limitless in

his love for you and able to usher all things toward his will. Take a deep breath and realize that the pressure is off. In the face of a really tough call your first task is actually quite simple and incredibly freeing: to believe and confess that God, and not you, is in control. I know that what you are facing feels huge

This book was such an inspiring and eye opening read for me. Pastor Matt does a fantastic job explaining that you are not alone when facing a tough decision in life, and to not be afraid to ask those with the same values and know who you truly are for help. As well as, realizing that as long as I am still pushing forward our "Father" is there to help guide me on the right path each step of the way, and if I start to stray He will be there to realign me. Truly an amazing read!
