## Customer Reviews

This book is short and to the point and very easy to read. If you or someone you know is having a struggle with a besetting sin or just want more understanding, this is a must read for us all. God is giving this out from His servant Brother Dave to help others get better insight on the war of sin & self.

Outstanding look at the inner struggle with sin and how for the Christian to have permanent victory. I've read many books but this one helped me more than any other. Wilkerson explains the difference between our past and our future, belief and faith, and how to change our lives when we had failed at everything else. A must read for anyone struggling with sin who wants to be free.

I have wanted (and at times actually have) given up on Jesus Christ and this book encourages us to seek God. Thank God he has not given up on me nor has he given up on you. If we will repent and turn fully to Jesus, he will forgive our sins and heal us. What a precious reminder of that promise that comes to mind when I think of this book.

Dave Wilkerson is RIGHT ON! In this little book, Dave summarizes our dilemma with sin and

wonderfully presents the 2 (two) aspects of God's plan of salvation; salvation from the final penalty of sin and freedom from the prison of long term addictive sin.

This is a great short book by Wilkerson---author of "The Cross & the Switchblade" [if you don't own it or haven't read it, get it!]Deals with victory over sin, easy 2 read, useful for both new believers & those with experience in the faith.Fun at times, good foundation, gives renewed \*HOPE\*, ----a \*MUST\* read for anyone struggling. [which is most if not all of us if we're honest]Book can be tough at first---stick with it---gets better at the end. :-)

I like the fact that God is not in the sin-plucking business but what He does is offer a far greater love to subordinate every other affection dominating our lives.Dear Father come into my heart and flood me with the mighty Niagara of your love!!!!

Simple, to the point and very inspiring!If you love David Wilkerson's insights, this book is for you!

Great book! It is inspiring to read and comforting to the soul! Answers questions that you don't want to ask anyone else...you know the secret sins... well there is Victory! NOW READ THE BOOK!
