# Pinky And Rex And The Bully (Ready-To-Read Level 3)

## Synopsis

Pinky's favorite color is pink, and his best friend, Rex, is a girl. Kevin, the third-grade bully, says that makes Pinky a sissy. Deep down, Pinky thinks Kevin is wrong, but he's still worried. Does Pinky have to give up his favorite things, and worse, does he have to give up his best friend?

## Book Information

Age Range: 6 - 8 years

Grade Level: 1 - 3

## Customer Reviews

Billy was nicknamed "Pinky" because of his love for the color; even his stuffed animals have a bit of pink somewhere on them. He's got no problem with the name until a school bully begins taunting him, calling him a girl (generally not received well by seven-year-old boys), and generally intimidating him. Pinky, wondering if he's too old for such a nickname, decides to change his name back to Billy, and give his beloved animals to his sister. Fortunately, an older neighborhood woman teaches him to accept himself as he is: "It's hard to be different, isn't it, Billy? ....But, believe me, it's worse not to be yourself. Don't change for other people, Billy. Other people will come and go in your life. Do what's right for the one person who will always be with you--yourself." Her advise, and some newfound assertion by Billy/Pinky helps him out: "Pinky walked straight up to Kevin and poked him in the chest . . . 'I'm not a sissy and I'm not a girl. And if you think so, it just shows how dumb you are.'" OK, so Pinky gets slightly physical, but, overall, this is a fine book for the bullied--and those

who bully them. Forty pages long, with lovely soft color illustrations, a non preachy tone, and a nice inter-generational angle. This book really seems to know the seven- year-old's mind.

First published in the 1990's the Pinky and Rex series is still relevant to children of the 21st century because of the real-world situations the books discuss. These books were favorites of my children!

My 4 year old loves pink. His room is pink, his stuffed animals are pink. He has often been hurt by thoughtless children AND adults who can't resist pointing out that PINK is a girl color. We encourage him to be himself and enjoy in spite of what any one else thinks. But even our loving support couldn't do what this book does. It lays the issue out in a clear understandable way. The choice to give up what he loves to suit others and avoid bullying humiliation is painful to read. My boy instantly connected with what Pinky was losing and cried bitterly. When the elderly neighbor perceives the problem and offers her own experience as example we were so relieved. But best of all in the end when Pinky gets his PINK stuff back and confronts the bully. He is no longer self doubting. He is prepared to stand up for himself and what he likes. He became a permanent hero for us. Poignant, without being maudlin or sappy. Well done and Thank you.

My children's school participates in the Accelerated Reader Program. This book is AR rated. James Howe is an excellent author for early readers. The stories have great themes, and are extremely well written!
