# The Seven Silly Eaters

## Synopsis

Peter wants only milk, Lucy won't settle for anything but homemade lemonade, and Jack is stuck on applesauce. Each new addition to the Peters household brings a new demand for a special meal. What's a mother to do? Even though Mrs. Peters picks, peels, strains, scrapes, poaches, fries, and kneads, the requests for special foods keep coming. It isn't until her birthday arrives that a present from her children solves the problem with a hilarious surprise that pleases everyone.

## Book Information

Paperback: 40 pages

Publisher: HMH Books for Young Readers; 1 edition (August 1, 2000)

Language: English

ISBN-10: 0152024409

ISBN-13: 978-0152024406

Product Dimensions: 10 x 0.1 x 10 inches

Shipping Weight: 5.6 ounces (View shipping rates and policies)

Average Customer Review: 4.9 out of 5 stars [See all reviews](#) (208 customer reviews)

Grade Level: Preschool - 3

## Customer Reviews

When you rate a children book (one that is meant to be read aloud) you rate the book from your point of view as the vocal reader and not necessarily from the kids point of view. How was the reading from your "reading" side? is it one of the books you hate having to go through or is it fun for you as well? this book is definitely a "10" for all participants. The fatigued mother (sorry fathers, the mother is the heroine here), reading the book at the end of her full day and receiving in this book something to address her side and problems (in picture and rhyme) and the child who enjoys reading about other children funny as himself - and always loves to hear about large families. Former reviewers have saluted the rhymes of Mary Ann Hoberman but I would like to honor the great drawings of Marla Frazee. The story evolves from one drawing to the next, through time passing by - portrayed by changing seasons (Summer - bathing in the lake, Autumn - falling leaves), the mother continuous pregnancies, the part of her hobby (playing the chello) in her life - central

when she had one child and then forgotten all together (thrown aside) and again appearing in the end of the story. I find it always interesting (and credible) to hear about other people's problems and this is what I feel when I look at the drawings - their house is also in a constant state of a mess (although she does do her best...), the loads of laundry... the ever lasting need to go to the store, fill the house with food (mother and father are again seen with bags of groceries), isn't that what you do all day? very real and very satisfying. I cannot comment much about the rhymes as I read the (beautiful) Hebrew translation but I am sure the translator had a great original to translate from....
