Discourses Upon The Existence And Attributes Of God (2 Volume Set)

Synopsis

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. --This text refers to an alternate Hardcover edition.

Book Information

Hardcover: 1149 pages

Publisher: Baker Pub Group (June 1979)

Language: English

ISBN-10: 0801024374

ISBN-13: 978-0801024375

Product Dimensions: 3 x 5.8 x 9 inches

Shipping Weight: 1.8 pounds

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (5 customer reviews)

Best Sellers Rank: #1,127,018 in Books (See Top 100 in Books) #74 in [Books > Christian Books & Bibles > Christian Denominations & Sects > Protestantism > Theology](#) #21041 in [Books > Christian Books & Bibles > Theology](#) #22655 in [Books > Literature & Fiction > Classics](#)

Customer Reviews

Charnock's Discourses Upon the Existence and Attributes of God is a classic among classics. It is a massive work that is comprised of two volumes. This particular edition contains both volumes in one book, a total of nearly 800 pages. Charnock deals with the attributes of God in what he calls "Discourses." These are each lengthy treatments of a fairly narrow (if that could be said of God) attribute of the God of the Bible. For example, Charnock devotes 55 pages (small print, too) to a discussion of the immutability (unchangeable nature) of God, and he examines the knowledge of

God for 63 pages. Equally thorough sections cover many other attributes such the eternity of God, the power of God, and the dominion of God--to list just a few. Charnock's discourses are stunning, to say the least. He held an extremely high view of God that seems to be lost in much of the church today. His writing will challenge your thinking, making you consider things you probably haven't thought of before. He delves deeply into each characteristic, organizing his comments with an outline format and providing much Scripture to back up his positions. On the down side, the language is dated, and this makes reading a bit more difficult. Additionally, the book reviewed here is a reproduction (a scan) of an original published in 1849 by Henry G. Bohn, this from the library of the University of California. Because it is a scan, the typeface is an old one, the text is fairly small, and the quality is acceptable but not great. In any case, this is a fantastic work and a sweeping survey of our magnificent God.

Speechless, don't know where to begin. Stephen Charnock's writings have won my heart over ANY other author, hands down. I would purchase any book he has ever written. His writings stir up emotions and touch the soul in a way no other author can. Thought I would highlight the "important" lines, but ended up highlighting nearly half a page on every page in the whole book. It is impossible to leave out anything because everything he says is valuable. No wasted words here.

This book is one of my favorites. I have no words to express how much I enjoy reading this book. If you like reading and meditating on the Bible you will enjoy it also.

I haven't found a good kindle version of this book. I tried 3 versions. Every version has a couple of typos about every page. I ended up by buying the hard copy version. Charnock is repetitive to a fault. He's makes his point so thoroughly that this reader wants to scream. However, they are jewels in the rough. He can be pithy and poignant. The different versions have different chapters. The "God is Spirit" chapter (I don't think is in my hard copy) is especially verbose, but it is very good in parts. On the actual attributes starting with God's eternality, he seems to be more on point, but he is verbose. Once again, he is worth reading slowly. I found myself thinking this is really obvious, but in the next sentence he brought out a point of view I never thought of before. He is a deep thinker.

This is a life changing text if you are a Bible Person. Everyone I know that has read this has had their lives changed; including myself!
