# I Saw God: The True Story Of A Young Boy's Miraculous Return From Death

## Synopsis

Read the astonishing true story of a young boy's gruesome head-crushing injury, his three visits to Heaven, and his supernatural healing...and your life may change forever. Run over by a car at age five, Billy Anderson died three times prior to emergency surgery and was left in a vegetative coma after large portions of his damaged brain were removed. Though his doctors did not expect him to survive, God had other plans - supernaturally healing Billy only six days after his skull-shattering accident. Yet beyond the undeniably miraculous healing, little Billy was also given a glimpse of heaven. Returning home just thirteen days after his brush with death, Billy stunned his parents by telling them of his visits to heaven. "The doctors fixed my head, but God made me well. I saw God and Jesus is coming." Now, through Bill's extraordinary journey, we have the blessed opportunity to learn what it's like to venture beyond the veil, to experience the majesty of Heaven and the electrifying presence of Jesus. As told by Bill's brother Jim, *I Saw God* will take you on an unforgettable reading adventure - a comforting and inspiring revelation of God's mercy and grace...a story that will help prepare you for eternity...a story that begs to be told.

## Customer Reviews

Maybe it was just the way it was written, but here was hardly anything about Heaven or his time spent there. Mostly the story of his accident when he was young. That is most of the book and then they go to a Hypnotherapist and there is just a little bit about that, no questions really answered

about his time in Heaven. Also, it then jumps in to his brother asking him questions about Heaven. Seemed quite incomplete for the subject matter/title of book.

I lost my sister in September 2012. It helped me to know that we will meet again. She called out to my mom and brother. We lost our brother in 2011 and was so depressed and kept telling me it should have been her because she was the oldest child. Now I know my mom and brother was there to help her into heaven. Thank you for account of what happened to you. It has helped me with my understanding of what happens after we pass.

This book made me feel the presence of the Lord!!! I would recommend this book to anyone who ever wondered if there is an afterlife. As far as I'm concerned I know as I know there's something so wonderful when I die. PRAISE THE LORD!!!! May you be blessed with this book. DON'T WAIT BUY IT NOW!!!

Inspiring and miraculous story! This book is worth every penny. I don't usually even bother with actual hard copies of books anymore, because I have a kindle. With this story, it brought me closer to God, and inspired me to purchase several copies to share with my friends and family as gifts. I wanted others to hear this story as I did, because after reading it, it changed my perspective on life. It made me realize that no matter how bad it seems to us, NOTHING is beyond God's capabilities. Billy, Jim's baby brother in this story, should never have survived that accident. He should have been killed instantly with a head injury as extensive as what he had. Not only did he survive, he is fine! He had a crushed skull, with a large portion of his brain removed, and he is still functioning and just fine today! That, my friends, is a miracle from the good Lord, from above. Check this book out. It is worth your time! and if you love it as I have, share it!

I Saw God is a beautifully written account of what happened to a five year old boy after a terrible accident. The book is entertaining and well written. I highly recommend this book. You will not be disappointed.

No words can justly express my emotional attachment to Mr. Anderson's account of a true miracle. I imagined the book would be well worth my time, but had no idea the wealth of emotions that would overcome me as I was given a glimpse into Heaven and a young boy's interaction with Jesus. What joy this knowledge will bring you as you read it!

This is a wonderful book that will take you on a journey to what heaven will be like. I highly recommend this book for anyone who wishes to understand more about the afterlife and the comforting facts that heaven is a real place and Jesus will one day be awaiting our return home. This book is very well written and easy to follow the journey of James Anderson and his brother. This is a must read.
