## Customer Reviews

I absolutely loved this book! The insights and engagements they shared were done in a way that anyone can follow along and do. The greatest part for me was that the whole book was like a God

given confirmation of the things He already had me trying. What the book did for me was solidify that I was on the right track and to just keep doing what I've been doing. They gave ideas to try that I hadn't thought of as well. I can't wait to get to my prayer room! It also helped me see how the things I've seen and done in my imagination are more real than I was ready to give them credit for. Part of me still struggled with the thoughts, I'm just making this up. But, over and over the book confirmed the things I was seeing and experiencing there were actualities. Like the times I've gone to the garden by faith and held Jesus. My physical body would be overcome by His love and I am a walking smile. Nothing in life bothers me anymore because I can go to Him any time I want and just embrace Him. He always lets me and will hold me as long as I need. The more time I spend in His presence, I find I am walking in incredible favor! My attitude has changed, my perspectives have changed and I see the world through new eyes. What they are sharing in this book isn't just about seeing in the spirit, it brings so much more into your life! You will KNOW that you are not of this world and that you are somehow above it. That you are here to make a huge difference. Another kicker for me was the chapter on light. Years ago I was entertaining a daydream where I went to heaven and Jesus was there. Before me was a wall of fire. I was standing near it and was brown all over. Jesus said, walk through the flames. I felt that doing so would kill me. But then remembered that you can't die in heaven.
