Awkward Silence, Vol. 4

Synopsis

Too shy for love. Satoru Tono is too shy to speak to classmate Keigo Tamiya. Instead he fills his sketchbook with drawings of the boy he likes. But perhaps Keigo has noticed him too...? Yuji Sagara and Takahito Kagami have been on one date together, but Yuji isn't prepared to start a relationship with a guy who lives in a completely different world than he does. Takahito is being groomed to take his father's elite place in politics, and now it's rumored he'll even go to university abroad | Reads R to L (Japanese Style) for mature audiences.

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (9 customer reviews)

Best Sellers Rank: #239,141 in Books (See Top 100 in Books) #168 in [Books > Comics & Graphic Novels > Manga > Yaoi, Gay & Lesbian](#) #644 in [Books > Comics & Graphic Novels > Manga > Romance](#)

Customer Reviews

~4/5[More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]This is such a cute series. It's adorable, sweet, cute, hot. I love it. There was a lot of focus on Yuji and Kagami this volume, and they finally got their kind of happy ending, for the moment. I like them and all, they're fun to watch, I liked seeing Yuji accept his feelings and Kagami's and how he's so embarrassed and defensive about it all. But they're just not as good as Satoru and Tamiya to me. That's probably only because I love them so much, but I really just want more of them. I want the volume to focus on them, all the time. I just want more, okay? They did have some focus at the end, and aside from that, there was this really cute confession under a tree superstition that was just really funny. I like how both couples get along so well, their interactions are so funny. I really like this series, it just makes me smile. And it sucks that it's going to be a while until the next volume comes out, possibly a long while since I don't think the

next volume is even out in Japan, and I don't know when it will be. I hope soon. Until then, I'm probably going to have to pick up another yaoi title, possibly from SuBLime, and there are several that have caught my eye, so it won't be hard to do that.

Awkward Silence Volume 4 continues the story as Sagara reels over what he and Kagami did the previous day (including 'love bites'). But a rumor saying Kagami plans to go overseas for college causes Sagara to once again doubt Kagami's sincerity. Add in a house party at Kagami's and Sagara truly begins to feel outclassed. But Kagami is never one to give up on his love and he has some special plans to woo his recalcitrant lover. Meanwhile, Satoru and Tamiya also grapple with the inequalities of their relationship. Awkward Silence is not one of my favorites in the sublime catalog - it plays a bit shallow and silly but I do like that the romantic scenes aren't overly graphic. There isn't a lot of angst or emotion here - and certainly we've seen enough of the same tired 'obstructions' to relationships before. But it does have its own charm and Volume 4 looks to be a good ending place for the story. Received as an ARC from the publisher.

LOVE IT, THIS BOOK IS SO CUTE. I LOVE THIS SERIES!!!!

It's a cute story and I can't wait to get the next volume!!!!

I have loved all of these books. It isn't as explicit as some I have encountered. They are really, truly amazing though!
